

BATHROOM ACCESSORIES **GW05 07 06 02 Towel ring "ITALICA SERIES"**

Product description

Towel ring

Material: Chrome brass

Finish: Chrome plating

Italica Series

Technical specifications:

Towel ring. The towel ring consists of a wall support of 42 mm diameter and 3 mm thickness made in brass fastened by means of screws to the wall. The wall plate covering the support element, which is fastened to the wall support by means of screws, is made in brass casting with a 50mm diameter and a 4mm thickness. The towel ring is a closed-loop brass tube with a 12mm diameter that moves freely on the wall support. The mounted set has a chrome finish plated with 10 µm nickel + 0.15-0.3 µm chromium that provides an appropriate resistance against corrosion. The product is anchored to a brick wall by means of the abovementioned wall support, 2 nylon wall plugs and 2 screws. The overall dimensions of the product are 200 x 175 x 68 mm. The accessory model reference for the HORECA sector is GW05 07 06 02, made by GENWEC WASHROOM S.L. – Av. Joan Carles I, 46-48 08908 L'Hospitalet de Llobregat.

Technical specifications
