

LOKI sanitary bin 11 l

4110/4112/4114/4116

Capacity 11 l
With pivoting front plate
2-year warranty

The DAN DRYER LOKI feminine sanitary bin is related to the popular LOKI product range. Made of stainless steel and 11 L of capacity. The front panel protrudes of the body top edge to ease the opening for removal and replacement of the sanitary bag. Specifically designed to ensure that the bag is out of view. The LOKI product range is awarded with a Red Dot Design Award – Product Design 2021.

Application

DAN DRYER LOKI sanitary bin is a sleek and temporary model suitable for public use. It fits into small and tight spaces, designed to ensure bin liner is out of sight. The LOKI line has been created to complement surrounding interior architecture such as window, doors, and wall surfaces.
