ARCHITECTURAL HARDWARE & FURNITURE HANDLES

The FROST collection of architectural hardware and furniture handles offers a modern yet timeless selection, including lever handles, thumb turns, bathroom indicators, escutcheons, push pull handles, door stops, furniture handles and furniture knobs. Our mission is to provide clients with the finer details essential for their interior projects.

For architects and interior designers, perfection in the critical details of a building can highlight and enhance its architectural beauty. The new range, available in eight of our nine distinctive FROST finishes, delivers the finishing touches and functionality required to complete modern, elegant, and enduring interior designs.

Crafted from solid stainless steel of grade AISI 304, these products are suitable for both indoor and outdoor use.
